Marching Instrument: _____

The student above has my permission to participate in the John Battle High School Band program for the 2010-2011 school year. I understand he/she must be registered in the guidance department and that **$115.00 NON-REFUNDABLE deposit will be due by June 1, 2010**. I also understand that my child will be expected to attend summer band rehearsals as scheduled unless. I will notify the band director in advance when my child will miss summer rehearsals. It is understood that with this deposit a position will be reserved in the Fall 2010 Field Show and is contingent upon attendance to camp at UVA-Wise and continued progress in learning the appropriate music, drill design or guard work. In addition, it is understood that a second payment of $115.00 will be due by July 23, 2010 and this payment is non-refundable, too. Fund-raising opportunities through the band booster organization are available to help offset the cost of camp and other expenses associated with band activities. You may pay the total $210.00 camp fee with one payment by June 1 if you choose to do so to receive a discount. In order to register for the band class in 2010-2011 each student must be able to participate fully in all marching activities because we march during class. Marching in class is the lab portion of the class and is required in order to participate.
